

Where is my checking account number on my check?

The image shows a check with the following details:

- Your Name: 1234 Oak, Anytown, USA
- Amount: 20
- Check Number: 1001
- Bank of America logo
- ACH R/T 123456789
- FOR: \_\_\_\_\_
- Microprint numbers: ⑆ 23456789⑆ 000⑆ 23456789⑆ 100⑆

Callouts at the bottom identify the numbers:

ABA Check Routing Number	Account Number	Check Number	ACH Routing/Transit Number
⑆ 23456789⑆	000⑆ 23456789⑆	100⑆	123456789

The routing number and your account number are located at the bottom of your check starting at the lower left-hand corner. The routing number is the first nine digits. Note that there is a four digit (six digit if business checks) check number that matches the number in the top right-hand corner of your checks that is not part of either the routing number or account number. This number is the sequential number of the check and may come before or after the account number.
