FNSB Plans Workshops on Commercial Marijuana Permits

Fairbanks, AK – The Fairbanks North Star Borough Community Planning Department will host a workshop titled “**How to Get Your Commercial Marijuana Facility Permit**” on Monday, February 22 and Wednesday, February 24, 2016.

This workshop is intended to provide an overview of the Borough’s permit/application process for operating a commercial marijuana business in the Fairbanks North Star Borough. Community planning staff will provide information about how to apply for a permit, answer questions, and provide helpful resources to assist interested and prospective business owners as they navigate the Borough permitting processes. The workshop will also include presentations by the City of Fairbanks Fire Department and the City of North Pole administration, regarding additional regulations for businesses that will operate in those areas.

At the end of the workshop, there will be an opportunity for private, individual consultations with FNSB Community Planners for those persons who might have questions about a specific property. There will be a sign-up sheet for these consultations at each meeting.

Workshop information:

Dates: **Monday, February 22, 2016 and Wednesday, February 24, 2016**

Time: **6:00 PM to 8:00 PM**

Location: FNSB Juanita Helms Administration Center
in the Mona Lisa Drexler Assembly Chambers
809 Pioneer Road, Fairbanks, AK

There is no cost to attend this workshop and no prior registration is required to attend/participate.

The workshop content will be the same on both evenings. For further information on this event, please visit the FNSB Community Planning Department website at www.fnsb.us/cp; see the Community Planning’s Facebook page:
