# **COMMERCIAL MARIJUANA FACILITY ZONING PERMIT INTAKE CHECKLIST**

**1. A completed zoning permit application form including all of the following information:**

- Property description and address
- Total (maximum) number of employees working on the site, including full and part-time, temporary and seasonal
- Property owner's signature or signed letter authorizing use of the property for a commercial marijuana facility

**2. A site plan drawn to a verifiable scale with north arrow and dimensions in feet (i.e. 1" = 10' or 1" = 20', etc.), including all of the following information:**

**More than one site plan of different scales may be used to illustrate the site.**

- Location and dimensions of property lines
- Name of the access road and any other roads adjacent to the property lines
- Location and dimensions of all existing and proposed buildings and structures (including additions) such as greenhouses, barns, offices, employee washrooms/restrooms, sheds, carports, etc. Label as existing or proposed
- In the Light Commercial (LC) zone, list the height of all buildings
- Uses of all existing and proposed buildings and structures, portions of buildings, and areas of the property, such as residence, barn, storage, land in crops, etc.
- Setback distances of all existing and proposed buildings and structures from property lines, except in the General Use (GU) zones
- Location and dimensions of all existing and proposed signage, except in GU zones
- If adjacent to residentially zoned property, show the location of all outdoor lighting

- Location, type and depth of surface material and dimensions of existing and proposed driveways. *A driveway permit may be needed if accessing a Road Service Area (RSA) road or AKDOT&PF permitted right-of-way (ROW) or if located within city limits.*
- Location, type and depth of surface material and dimensions of off-street parking spaces, except in the GU zones. Off-street parking spaces are required to be at least 9' by 18', with sufficient back-up and maneuvering area such that all back-up and maneuvering actions occur on the site (FNSBC 18.96.060). Label parking spaces with dimensions.
- Location, type and depth of surface material and dimensions of loading areas. This requirement does not apply in the GU zones.
- Location, type and depth of surface material and dimensions of all traffic circulation areas, except in the GU zones. Show drive aisles, backing and maneuvering areas and all areas where motor vehicles will travel on the site.
- Show any obstructions located within the parking and vehicle maneuvering areas, such as a wall, post, guard rail, or other obstruction, except in GU zones.
- Demonstrate compliance with Marijuana Facility Standards listed in FNSBC 18.96.030.

### **3. OTHER REQUIRED INFORMATION:**

- Provide a floor plan drawn to scale. This requirement does not apply in GU zones unless using only a portion of a building. If using a portion of a building, show how portions of building are separated (i.e. fire wall with person door, etc.). Label with dimensions, square footage and specific use of each floor area used for:
  - Production activities such as cultivation, drying, processing, manufacturing, retail sales, etc.
  - Non-production activities such as storage, employee areas such as locker room, break room, rest rooms, and stairs or hallways, etc.
- Provide a map showing all lots and parcels within 500 feet of the subject property to be utilized as a marijuana facility. Label all specific land uses located on each property including the subject property such as dwelling, restaurant, church, retail store, etc. The land uses on each property may be listed by tax lot on a separate sheet.

- Provide total square footage of all areas to be used for the marijuana facility, including the location and square footage of portions of existing and proposed buildings/structures and land in cultivation.
  
- For a marijuana manufacturing facility, provide information on the type of manufacturing and a list of the chemicals utilized in manufacturing operations.

***Additional information may be required beyond the items listed above. All of the above permit submittal requirements may not be required if locating in a separate unit in a multi-unit building such as a strip-mall. Contact the Community Planning Department located on the second floor of the Juanita Helms Administrative Center at 907 Terminal Street or call 907-459-1260 for specific requirements.***
